Attn: Milan Mueller

Dear Mr. Mueller:

On behalf of the Santa Cruz Police Department I wanted to thank the Omega Group for your help with the implementation of the crimemapping.com program. Our agency has found the crimemapping.com system to be invaluable. It has provided a new level of transparency and accountability to our agency while simultaneously empowering citizens to learn about and address crime in their neighborhoods.

Overall, the feedback from the community, elected officials and media has been exceptionally positive. We believe this crime mapping system will provide an integral part of our community-oriented policing philosophy moving forward.

Sincerely,
