Vance:

I would just like to take the time to say "Thank You" for all the hard work that Mike Fowler has put into making the City of West Palm Beach Police Department's CrimeView Web site a great crime fighting tool for all of our Officers to use. WPBPD has a force of over three hundred Officers and CrimeView Web is a tool that is used daily. Mike has helped me to make the site everything that our Officers, Captains, Assistant Chiefs, and Chief have wanted it to be. Mike has helped numerous times with the adding of new layers, symbology, and most recently Aerial Photos. Mike is always willing to help out and get the job done. It is nice to call for support and actually get it!! Not only does Mike get the job done, but he gets the job done ASAP.

Thanks for all you hard work Mike, WPBPD Greatly Appreciates It!!
